

Annual General Meeting
Virtual

June 29, 2021

Quebec Region Report

Greetings everyone,

Hope you are all doing well while living through these difficult months coping with all the health conditions, restrictions and confinements.

The last year was very quiet with the Covid-19. We had no gatherings, Regional meetings were held via Zoom. We stayed in touch with our members by phone, e-mail and/or by mailings of our newsletter. I also attended our monthly National Board of Directors meetings, also by Zoom and add our Quebec news to the National Newsletter. Since March 2021 I attended our Virtual Events. These Events are well presented and very well received with much information, possibly things we did not know or forgotten. We are looking forward to resuming these Events in the fall. Welcome to all members.

Sadly, since our last meeting, we lost two (2) widows, Irene Dallain widow of RRC Jean Paul Dallain and Elizabeth "Beth" Pollock widow of RRC Allison Pollock.

We welcomed three (3) new Regular members and re-instated three (3) Regular members to our Hong Kong Family. Welcome and thank you all. We invite our members to encourage our younger generation to join the association, to get involved and help in keeping the memory alive.

Presently we have 1 Veteran, 24 Widows and 59 Regular Members for a total of 84. Our membership is doing well as our members are keeping up with their dues and all. We also thank our members for their continued support, participation and donations in memory of their loved-ones. We Will Remember Them!

Many families and members held their personal and local Remembrance Ceremonies for VJ Day and on November 11th. Thank you all. In this year of the 80th Anniversary of the Battle of Hong Kong again we invite all families and members to hold their ceremonies again this year as large gatherings are still not possible. WE WILL REMEMBER THEM!

Hopefully in the coming months and new year things will get back to a more normal way with more activities being possible and taking place.

Take care, stay safe and enjoy a nice summer.

Lucette Mailloux Muir
Director Quebec Region
