

AGM 2021 Report

Quebec Region

As with the rest of the country everything in 2021 was on hold due to the Covid situation and many gathering restrictions.

Our members continued to renew their dues and participation to our association. We held a virtual executive year end meeting with presentation of all reports, regular executive meetings and kept our members informed on happenings in our region.

Contacted our veteran, widows and members to chat during these difficult times.

In August, many of our members held private Commemorative Ceremonies in memory of our Hong Kong Veterans to commemorate the 80th Anniversary of their release.

On November 11th, Remembrance Day, many members attended virtual or small individual commemorations at their local Cenotaphs and Memorials to our Veterans.

During the year, we continued sending “Birthday Wishes” to our members and for the Holiday Season we mailed “Christmas Greetings” to our Veteran Phil and to all our widows.

We are still holding virtual executive meetings and hoping for a better 2022 year to get back to holding gatherings again and commemorate our veterans by attending ceremonies and possibly more Plaque Dedications.

I thank my nominators for your confidence and special thanks to Phil Doddridge and our Veterans for their guidance, help and confidence throughout the years. I also thank Allan Marshall our treasurer and Debbie Batley-Everett our secretary for serving on our Executive since day one of our Quebec Region.

Greetings to all and continue to stay safe.

Respectfully submitted by
Lucette Mailloux Muir
HKVCA Director Quebec Region
